Dubuque, Iowa

January 28, 1931.

MR. CYRUS HARVEY, Altoona, Iowa:

Dear Sir.—We received the gallon of Sorghum on Thursday, January 23rd, but up to date we have received no bill for it. This Sorghum was ordered by P. S. Fawkes of the H. B. Glover Co., for me.

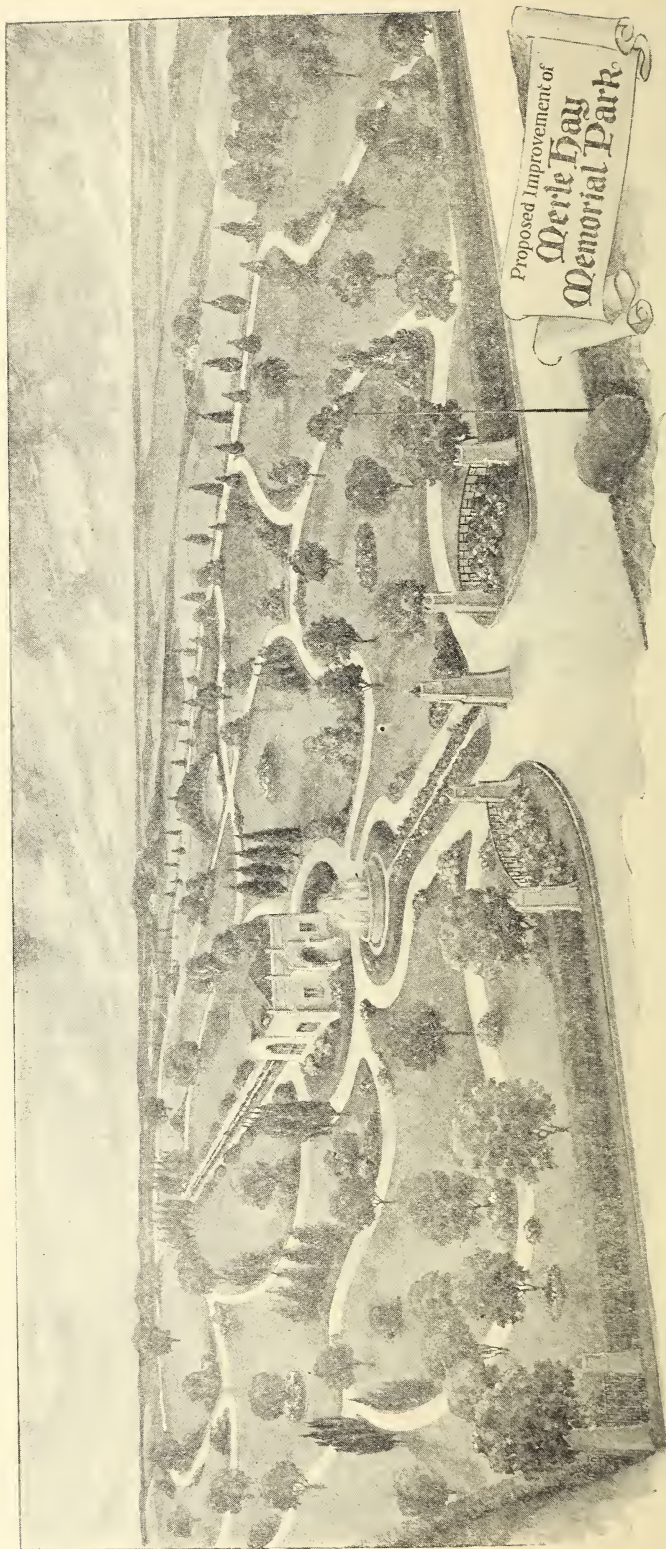

We have had this Sorghum for several years and we think that if possible it improves each year. It is certainly fine. Please advise me the amount of bill so I may remit.

GET OUR PRICES ON GARDEN PLANTS

Larchwood, Iowa, June 6, 1931.

Mr. Harvey, City Garden:

Dear Sir—I am sending you \$1.00. Please send me \$1.00 worth of cabbage plants.

If you have the Danish Ball Head would like them all that kind. Please label them. The ones I purchased 2 years ago of you were lovely: finest I ever had.

Yours, Miss Kathryn Wagner.

Blossom Time Open House is an annual affair and largely attended by people from far and near. In past years the Iowa State College put on demonstrations and the visitors were addressed by such speakers as Gov. John Hammill, Geo. Hamilton, E. C. Lytton, Dr. J. J. Boyland, Mayor Fred Hunter, Representative E. A. Elliott, etc. It will be about May 1st this year and last 10 days. Everybody is invited to come and see the blossoms and have a picnic lunch in the woods. Schools and Sunday School classes especially invited.

The Des Moines Ministerial Association will conduct a Vesper Service at 2:30 P.M. on Sunday of blossom time.

Mitchellville, Iowa, 1-27-1930.

Mr. Cyrus Harvey,

Altoona, Iowa.

Dear Friend:

I wish to say that I have been getting nursery stock from you for nearly thirty years and have been well pleased with it and always found it true to name. I am glad to recommend you to my friends.

Very sincerely yours,

Lee Taylor.

Altoona, Iowa, Jan. 27, 1930

Mr. Cyrus Harvey,
Mitchellville, Iowa.

Dear Sir:

The trees, shrubs and vines we purchased from you during the past two years have been satisfactory in every way. The grape vines bore fruit the second year. All of the fruit trees are living and growing. We only lost two of the pine trees which is not bad considering the fact they are exceptionally hard to grow in this locality.

Best wishes to you for the coming season.

N. W. Atkins.

Strawberry plants are very scarce on account of drouth last season. I expect to be sold out before the season is near over.

Asparagus Roots, 1 year, No. 1. \$1.00 per 100; 1,000 for \$7.

State of Iowa

DEPARTMENT OF AGRICULTURE

Office of the State Entomologist

CERTIFICATE OF NURSERY INSPECTION

Station "A," Ames, Iowa, September 1, 1931.

Number 193

This certifies that the nursery premises and the growing nursery stock consisting of general line of nursery stock, Red and Black Raspberries doubly inspected for virus diseases, (general nursery stock—evergreen, strawberries, raspberries, ornamental shrubs, etc., etc.) and belonging to Cyrus E. Harvey, Altoona, Iowa, have been inspected by a duly authorized nursery inspector as provided by "The Iowa Crop Pest Act"—Chapter 201-B1, Code of Iowa, 1927.

Permission is hereby granted to the above named nursery to sell and ship (1) stock of his own growing which upon inspection has either been found apparently free from dangerously injurious insect pests and plant diseases, or if diseased, has been treated as prescribed by this office, and (2) stock obtained from other sources approved by this office, provided that a tag on which a copy of this certificate has been printed, is attached to each package, bundle, bale, box or car load lot shipped or delivered.

This certificate applies only to stock which has been officially inspected for the year ending September 1, 1932, and expires on that date, but may be revoked by the State Entomologist at any time for cause.

M. G. THORNBURG,
Secretary of Agriculture.

CARL J. DRAKE,
State Entomologist.

Beware of unscrupulous persons selling under my name. I have known of them selling along the highway and even as far away as Newton—selling what they claimed was Harvey's fruit. Also there has been much sold at the City Market under my name which I had nothing to do with.

We have a fine flock of White Wyandottes and S. C. R. I. Reds and will have first class eggs for setting at very reasonable prices.
